E-mail: Van.Muschler@swic.edu

Applications and Registration Due – August 14, 2017

Class Begins – Monday, August 28, 2017

Enclosed is the application form and indemnification agreement for the Basic Arson Investigator Course through Southwestern Police Academy and directions for online registration with Southwestern Illinois College. The forms must be completed and returned with a copy of the firefighter's proof of residency. The online directions should be given to the firefighter to complete. **All attendees must complete the Southwestern Illinois College registration process.** In most cases proof of residency will be the firefighter's Driver's License. The address on the DL must be correct. The address on the application, the Driver's License and the online registration **MUST MATCH**. In addition, the Driver's License must be valid. A copy of the Driver's License may be sent with the application or may be e-mailed to Susan.Attaway@swic.edu. Fax copies generally cannot be read. In the past firefighters have had success by taking a picture with their phones and sending it. If the Driver's License does not meet the requirements above, contact us for a list of other documents which will be acceptable for proof of residency.

The total cost is \$2283 for each firefighter and does not include transportation, housing, or meals.

Sincerely,

A handwritten signature in cursive script that reads "Van R. Muschler".

Van Muschler, Director
Police Academy
